Phone (973) 539-2121 / Fax (973) 998-6520

December 3, 2007

The Honorable William Budesheim:

The Urban League of Morris County is a 63 year old organization that provides an array of services to the residents of Morris County. We are delighted to let you know that we have a program that will help any resident of your community with a new heating system (gas or oil, furnace) at no cost should they qualify, in addition, we can also provide weather stripping, insulation for the attic, and basement of the home.

In an emergency situation we can install a heating system within 72 hours.

We sincerely hope that you will share this information with other town officials, organizations and agencies in your community.

We have enclosed flyers about the program, however should you have any questions please call (973) 539-2121 and ask to speak with the weatherization staff.

Thank you for your assistance in helping us get the word out.

Warm Regards,

A handwritten signature in cursive script, appearing to read "William Primus".

William Primus
President

Urban League of Morris County

Weatherization Program

The United States Department of Energy in collaboration with New Jersey Department of Community Affairs provides a Weatherization Assistance Program that is the nation's core program for delivering energy efficiency services to low-income households.

You may qualify for help to reduce your heating costs!

Program Highlights:

- **Trained crews perform on-site home energy audits to identify outside drafts**
- **Inspect heating systems for efficiency**
- **Install insulation to seal off air leaks**
- **Make modifications (or replace) existing heating systems**
- **Replace refrigerators**
